Dear Teacher/Supervisor

Thank you for booking your school with Mission Ridge Winter Park. We look forward to your visit!!!

The following is a checklist of things to do to finalize your group booking:

- 1) Please complete the information on the parent letter and send a copy home with Each student. This is information for the parents. They may keep this letter.
- 2) Please send a copy of the parent Consent Form home with each student. This form must be signed by a parent or legal guardian and return to you. Please bring these signed forms to Mission Ridge when you come with your group. Without this signed form your students will not be allowed to participate in the school program.
- 3) Mission Ridge has instructors trained by the Canadian Association of Disabled Skiers(CADS) and offers an adaptive ski program to disabled students. Instructors use adaptive equipment to create a skiing sensation as close as possible to a skiing experience. When booking your school group please indicate that you will be including a physically challenged student. Children with challenges included in regular ski classes will also benefit if you indicate their specific challenge. If we are notified of the inclusion of any challenged student we will discuss our adaptive plan before instruction.
- 4) We recommend that all students (especially snowboarders) wear helmets but it is up to the school to make the final decision. Remember, helmets are not included in the group package. The cost is \$4.20.
- 5) Parents are encouraged to participate in our school program. They must register with your school and pay you the same low group rates as the students and teachers. Please include them in your numbers when you confirm. We are pleased to offer teachers and supervisors 1 free package for each 15 participating students.
- 6) Please call us with final numbers as soon as possible. If you have not phoned at least three days before your visit we will call you, but remember, those schools who confirm their numbers first will get first option on snowboard equipment. We will need to know the following:
 - a) total number (including parents and supervisors)
 - b) number of skiers
 - c) number of snowboarders
 - d) number of ski lessons required
 - e) number of snowboard lessons required
 - f) number of pre-booked lunch specials

We recommend lessons for all students. Teachers and parents are also welcome to participate. Our ski and snowboard instructors are trained and certified by the Canadian Ski Instructors Alliance (CSIA) and the Canadian Association of Snowboard Instructors (CASI)

- 7) Please arrive at your scheduled arrival time. Upon your arrival we will:
 - a) greet your group in the parking lot and escort them to the lodge
 - b) welcome your group to the hill
 - c) review the Alpine Responsibility Code
 - d) sort your students in to lessons groups by ability level
 - e) fit your group with equipment (please be sure your students know their shoe size and weight)
 - f) register each student and record equipment numbers (please designate teachers and supervisors with an asterisk)
 - g) lessons begin!!!
 - h) At the end of lessons our instructors will dismiss your students in front of the lodge
 - i) Our instructors remain on the hill to assist your students throughout the day

We will definitely ask for teacher or supervisor assistance with registration and may ask for further assistance depending on the age and size of your group.

- 8) We ask that you choose one person as a contact person for the day in case of any problems that may arise. Ideally we would like this person to be in the lodge at a designated table so that can be found quickly. If this is not possible this person may be asked to contact the office at regular intervals.
- 9) It is the group leader's responsibility to collect all money from the participants. On the day of your visit our office will prepare an invoice based on your registration form. Payment is due on the day of your visit. Please pay with one cheque payable to Mission Ridge Winter Park or we will invoice for those schools whose policies won't allow cheques. If you visit more than once you may pay on your final visit.
- 10) In the case of adverse weather we may call to advise you to postpone. If we do not call and you decide to cancel please let us know by 7:30 a.m.

See you soon!!!

This letter is to inform and assure you that your child will have a pleasant and safe experience at Mission Ridge Winter Park.

Our instructors are Level 1 or 2 CSIA* and CASI* accredited. They are trained to encourage safe, controlled skiing and snowboarding during and after your child's lesson.

Mission Ridge offers a variety of terrain, from very easy to more difficult. All of our slopes are groomed every morning with the most advanced grooming equipment to ensure great conditions for all levels of skiers.

At Mission Ridge your child is individually fitted with top quality rental ski and snowboard equipment by certified technicians.

To assist you in preparing your child for a comfortable and enjoyable day we recommend the following:

- Reassure your child that they will be taken care of by friendly, caring people while at the hill.
- Have your child wear layers of clothing that can be easily removed or put on as the weather dictates.
- Proper headwear is a must. A toque and neck tube is suggested. Please – no long scarves.
- Gloves should be of a waterproof material and an extra pair is suggested.
- Pants should be loose fitting. Ski pants, wind pants and layers of sweat pants are advised.
